Dear Dr. Sinha,

Sub: Extending facility in tele-rehabilitation for persons with communication disorders for children with cochlear implant.
Ref: DIR/2015/3923 dated 11.12.2015

Tele-center for Persons with Communication Disorders (TCPD) was established with the motto of "Reaching the unreached". The center is providing assessment, rehabilitation and educational guidance to persons with communication disorders through tele-modes via video-conferencing, Team viewer, Skype, e-mail and other virtual modes. The center is connected to 10 Institutions across the country through video conferencing and the clinical services are provided to these centres by video conferencing from 10.00 a.m. to 12.00 noon.

The center has a dedicated website (www.aiishtcpd.com) which is uploaded with multimedia content which comprises of audio-visual illustrations for teaching speech and language skills to children with hearing impairment at various levels. The center has also developed resource material in different languages which are available at nominal rates. The center can be contacted via aiishtelecenter@gmail.com, Phone: 91-821-2502536/2502532 and Website www.aiishtcpd.com. This is for your information. The same may be brought to the notice of the patients who can further contact TCPD, AIISH, Mysore.

Thanking you and with regards,

Yours Sincerely,

Savithri S.R.
